LITERARY NOTES.

A New York daily paper, taking up the heart-felt thanks. We also give interviewed a number of the leading men in all professions as to what they would do if science our Lord Jesus Christ, praying al-The answers are various and curious, ar neighten the interest which is felt in the secappears in the May Cosmopolitan. It is a question which everyone will find interesting to ask of himself: What would you do if withn six weeks the end of the world were certain? Probably no novel which has ever appeared in an American magazine has been appeared in an American magazine has been more elaborately illustrated by more distinguished artists. Laurens, Saunier, Vogel, Meaulle, Rochegrosse, Geradin and Chovin all contribute to the explanation of the text.

A clever story of another kind is that of the new English novelist, Gilbert Parker, in the ame number. "American Society in Paris" s an article of another kind, but one which will interest all who have had occasion to make even a short residence in the French capital. The Cosmopolitan scores a success-in producing in its May number, almost simul-taneously with the daily papers, an elaborate description of Professor Gray's marvellous invention, the Telautograph, which reproduces the handwriting, or the work of the artist, simultaneously, thousands of miles distant from the place where the writer or artist is sitting. Mr. Howell's purpose in eller from Altruria" is, month by month, be-coming more evident, and is now receiving coming more evident, and is now receiving Mr. Howell's purpose in "The Trav-n Altruria" is, month by month, bever the world.

The Story of the Millennium. A fascinating picture of the possibilities of uture development on the earth and of the condition of mankind in the ten thousandth century, when interplanetary communication has been established and the "dream of ages" become a reality, is one of the special features of Demorest's Family Magazine for June. It is compiled from the records of the Optimist's Club, an organization established for foretell-Will be closed from about June 10th to July 1st, and we request our patrons who expect to need work during that time to send in their orders at once. During the time specified the paper will be cut, there were about 400 people Art" we are introduced to the Venetian and Spanish painters and many of their most noted works. "The French Embassy and European Legations" are treated of in a splendid ar-ticle. The Diary of an Athletic Girl" tells Prof. Bascom, who left here about a month ago came back last newest and most charming way of spending The uprising and spread of Christian feeling has been the means of bringing the people together in pleasant relation.
